**ASHOK VIHAR**  
**SESSION-2025-26**  
**Class: Pre-Primary Winter**  
**Break Assignment**

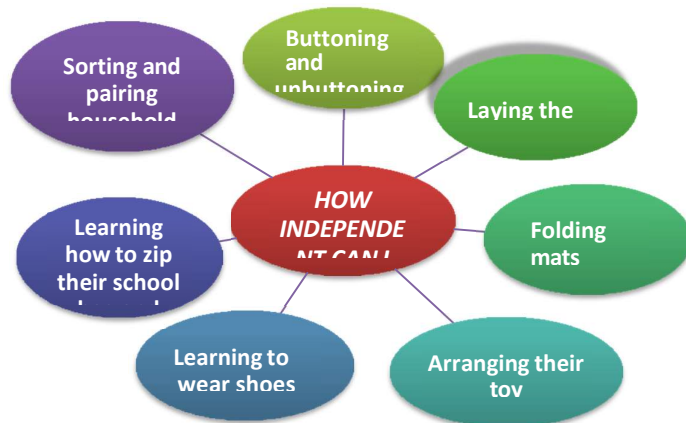

Dear Parent(s)

Vacations provide a much-needed break from fixed schedules and school rules, offering a chance for freedom and creativity. However, with this freedom also comes responsibilities. Keeping this in mind, we have organized several fun-filled activities designed to keep the children engaged and help them channel their energy positively.

We kindly ask for your support in ensuring that the children complete the tasks and take the opportunity to explore their creative sides.

***HOW INDEPENDENT CAN I BECOME?***

**Make your child more independent by teaching him or her various activities like:**

***Imbibe these social manners and etiquettes:***

- Loving the younger ones
- Wishing and welcoming guests
- Conversing freely with visitors and relatives
- Keeping the house clean and tidy
- Speaking politely
- Helping you in the household chores
- Keeping things where they belong to
- Practicing personal hygiene independently
- Right usage of magical words like: Sorry, Thank you and Please

**Dear Parents,**

**Kindly help your child revise all the concepts covered in EVS, Maths, English, and Hindi during the winter break. Please ensure that all the shared worksheets are completed neatly using a pencil, with minimal assistance from parents. Put all the worksheets in a properly labelled folder (student's name, class, and section) and kindly submit all the worksheets on Friday, 16th January 2026.**

**✧ "May the New Year 2026 bring new beginnings, joyful learning, and endless opportunities for growth. Wishing you and your family a Happy and Prosperous New Year!" ✧**
