WINTER HOLIDAY HOMEWORK (2025-2026)
CLASS 4

Dear Students

Winter break is the perfect time to celebrate, rejuvenate the mind and body and connect with family. As we look forward to a New Year, let's resolve to work towards establishing new goals, setting higher standards of achievement and investing our energies in accomplishing those dreams. Here are some of the productive ways to engage ourselves:

- Painting and sketching soothe your mind in a creative way.
- Ditch the winter laziness and focus on exercising and yoga.
- Nothing ever goes waste! Upcycle items in your home.
- Make your home greener by growing indoor and outdoor plants.
- Learn a new musical instrument.
- Read and give your brain some food for thought.

The New Year stands before us like a chapter in a book, waiting to be written.

Q 1. Read the following passage carefully and answer the questions that follow.

The Curious Monkey

Milo, a curious monkey, used to live in a deep forest. Milo enjoyed climbing trees and exploring new areas. One day, while hanging from a branch, he noticed a bright object beside a stream. The mirror was small. Milo picked it up and was surprised to see his reflection. He waved at the mirror, believing there was another monkey inside it. To his surprise, the monkey waved back. Milo excitedly carried the mirror to his friends and showed it to them. His friends were also impressed and wanted to figure out how the “monkey in the mirror” worked. They took turns laughing at their reflections. Later, an old wise owl

appeared and explained to Milo and the others that the mirror shows their own faces. Milo realized the importance of observing and learning new things. From that day, he became even more curious about the world around him.
